

Printing at home

1. Download and open the Open Streets Toolkit in Adobe Acrobat (not the PRINT VERSION, the normal version)
2. Select the Print command from the File drop down menu
3. Make sure you have chosen the following settings
 - a. Page Sizing & Handling – select Booklet option
 - b. Booklet subset - select Both sides
 - c. Binding: Left
4. Orientation
 - a. select Landscape
 - b. select Auto-rotate pages within each sheet

Printing at a professional printer

1. Email info@openstreets.co.za to request a print-ready file of the Toolkit (it is too big for our website).
2. Send the file to your local printers with the following specifications
 - a. A5 booklet bound on the left side
 - b. 52 pg (incl cover)
 - c. 3mm bleed included
 - d. Colour-profile: saved as FOGRA27
 - e. Finishing
 - i. Folded once
 - ii. Saddle stitched
